CHC41115 Certificate IV in Employment Services [Incorporating the IEP Award in Employability Practice]

The Institute of Employability Professionals has partnered with Asuria to co-design a training program that is both relevant and specific to the Employment Services sector.

With increasing demand for frontline employment services staff to hold or pursue appropriate relevant industry qualifications, there has never been a better time to enrol your staff for professional development through the CHC41115 Certificate IV in Employment Services with Asuria and the IEP.

This engaging course will equip your frontline staff from all programs including IEA, ParentPathways, Workforce and more; with the tools they need to effectively support Participants, address barriers to employment and drive higher engagement and outcomes.

'Get trade qualified for the sector'.

Key skills covered include:

- ✓ Contracting, action planning and caseload management
- ✓ Interpersonal coaching and facilitation skills
- ✓ Supporting informed decision making
- ✓ Strategies for finding and competing for work

Training by Industry, for Industry.

Our training program has been designed after an extensive year long consultation and internal pilot delivery model; with feedback from previous and existing students, frontline staff including Mentors and Employment Consultants from Workforce, Disability Employment Services, ParentsNext and Transition to Work; team leaders, program leaders and qualified trainers with industry experience.

The program is facilitated by industry and subject matter experts, supported by qualified trainers and assessors. Your team will learn from the best within the industry.

'Get trade qualified for the sector'.
